filter shakerindustrial  
use

This silent and compact industrial 3 phases wet & dry vacuum is designed for intensive use in constricted spaces. Thanks to industrial brake wheels it is suitable for working in sloped places.

TWIST INDO-80L is equipped with a three-phase 3,0 kW turbine motor and a 80 lt stainless steel drum. Thanks to the handy switch on the side of the drum, it is possible to shake the filter system, keeping the motor clean while working.

### accessories

crevice tool Ø 40  
(cod Q06992286)

dusting brush Ø 40  
(cod Q06992284)

complete flexible hose 5 m Ø 40  
(cod Q06992288)
